We guarantee that our bamboo Stick has best quality to meet customers' satisfaction. We value satisfaction of our buyers. We are committed to provide the best quality to meet customers' requirements and satisfactions. Our bamboo Stick are made 100% from natural products. We only choose suitable bamboo trees that can be used for bamboo stick. The bamboo trees are cut, dried and cleaned.

How to use?

Before using bamboo Bamboo Stick, we should wash the Bamboo Stick with flowing water, no need to use diswash soap. Bamboo TootBrush can be used multiple times and have life cycle up to 1 years with proper care.

Benefits of using bamboo stick:

1. Eco friendly. Like bamboo straws and cutlery sets, the bamboo Bamboo Stick is degradable .
2. Chemical free. The Bamboo Stick also made from 100% material which no use of chemical.
